BOC Mission Statement

The mission of the Board of Certification is to provide excellence in certification of laboratory professionals on behalf of patients worldwide.

BOC Vision Statement

Serving as the largest and oldest pathology and laboratory medicine society and as the gold standard in certification for laboratory professionals, the BOC of the ASCP will take the future of laboratory medicine. Its work will focus on promoting public awareness, a proactive role in legislation that impacts the certification or practice of laboratory professionals. The BOC will strive to ensure an adequate and competent workforce to protect public health and advocate for increased communication with program directors regarding certification and its maintenance through continuing education. There will be ongoing efforts to develop and globally consolidate new certifications in response to emerging disciplines or regulatory changes in the delivery of laboratory testing. Operating in a financially stable manner, the BOC will be instrumental in stimulating economic and workforce development both nationally and internationally.

About the Board of Certification

The ASCP Board of Registry (BOR) was founded in 1928 by the American Society for Clinical Pathology (ASCP), six years after the Society was founded in 1922. The BOC is a separate certifying body within the

Are you an NCA Certified Laboratory Professional?

As you may be aware, the NCA and American Society for Clinical Pathology's Board of Registry have been unified into one certification agency, the **Board of Certification (BOC)**. As a result, the American Society for Clinical Pathology (BOC) would like to welcome you. Your NCA certification is highly valued by our organization and ASCP has already created an account for you. Please help us get you set up on our web site with your most current information.

Please press Continue to update your most current information.

Point Allocation

Activities are awarded points based on the Guidelines on page 5.

Steps for Completing the CMP

1. Review your CMP booklet as soon as you receive it.
2. Over the next three years, complete the appropriate activities as outlined in this booklet to achieve your goals and attain the required CMP points. Save all certificates of completion and any other documentation of completion, in the event you are selected for audit.
3. Two months prior to the ending validation date on your certificate, complete the required Declaration Form(s) and mail it in with the required \$75 fee. **Faxed** Declaration Forms will not be accepted. Application fees are not refundable.
4. Please retain all original certificates of attendance or any other type of support documentation.
5. If you receive notification that your declaration is being audited, please submit **copies** of the certificates of completion and any other support documentation that you have.
6. Upon successful completion of the program, you will receive a new certificate valid for three years and you will continue to use the initials "CM" in superscript after your certification initials to demonstrate your commitment to maintaining competency in your profession.

Failure to Participate in CMP

If you were certified on or after January 1, 2004, or as indicated in the chart on page 3, and do not participate in the CMP, your certificate will no longer be valid after the three year time period printed on the certificate and you will no longer be permitted to use the (ASCP) certification designation after your name. Information on reinstatement is located on page 10.

CMP Recertification Process: Medical Laboratory Scientist

Save & Quit

STEPS: **Demographics** → Add CE Credit → Completed Activity → Pledge → Thanks →

Welcome to the CMP Recertification Declaration Process. Please complete the following steps to submit your declaration form to the Board of Certification for review.

Please verify your contact information:

Below is the primary contact information that we have for you (the address where you'd like to receive all your communications from ASCP). If this is correct, please click the **NEXT** button. If you need to update the information, please click **Update Contact Information**.

If you changed your name, please follow our [instruction for name change](#)
